About me

Motivated learner transitioning into frontend development and automation.
I can build responsive websites using HTML, CSS, and JavaScript.
I'm disciplined, organized, and quick to learn new skills.
Looking to contribute to projects with creativity and reliability.

Experience

Domestic Helper — Kuwait

2017 - Present

- Managed daily schedules and tasks with strong attention to detail.
- Communicated instructions clearly and handled responsibilities independently.
- Solved unexpected problems quickly and efficiently.
- Maintained organization and time management under pressure.
- Adapted to new tasks and learned skills fast.

Career Transition: Currently building skills in Frontend Development, and AI Automation (GHL).

Education

(2023-2025) Level 4 Diploma in Information Technology
ICSA International Institute of Computer Science and Administration

(2023) Computer Secretarial
ICSA International Institute of Computer Science and Administration
